[Despatch Abstract.]

Education - Fisheries - Fisheries High School at Bekal in South Kanara Dt - Radio Maintenance - Expenditure - Sanctioned.

DEPARTMENT OF INDUSTRIES AND COMMERCE.

From
The Addl. Director of Industries and Commerce, Chepauk, Madras 5.

To
The Secretary to Government, Agriculture Department, Fort St.George, Madras 9.

R.C. No. 20219-X3/55 dt. 15th Dec.,1955.

1554

Sir,

Sub:- Education - Fisheries - Fisheries High School at Bekal in South Kanara District - Radio - Maintnance Expenditure - Sanction - Requested.

---

1 For imparting instructions on "Visual Education", the Fisheries High School at Bekal in South Kanara ~~has~~ District has purchased a Radio Set out of the funds collected from the students towards visual education fees. These fees are being utilised for providing visual education aids etc. to the children.

2 The Assistant Director of Fisheries, Mangalore has applied for sanction for a sum of Rs. 245/- towards maintenance charges and licence fees of the Radio set. The Radio Engineer was addressed to ascertain whether it is obligatory on the part of the Assistant Director to have the radio serviced and maintained only by the Radio Engineering Department or whether it can be got repaired and maintained by private agency as the Radio was not purchased out of Government funds. The Radio Engineer in reply has informed me that the School ~~set~~ set is to be maintained only by his Department. He has also informed me that the maintenance charges payable every year include repairs and servicing to the set, during the year and are hence payable to him irrespective of the fact whether any repairs are done or not. Copy of his letter No. 5449-C1/51 dated 3-12-55 is submitted. I also invite the kind attention of Government to the G.O. Ms. No. 4384 P.W.D., dated 22-11-55 in which it has been ordered that the maintenance of the Radios in the Government Institutions should be done only through ~~the~~ the agency of the State Broadcasting Department.

3 The maintenance charge for a battery set installed in a Government institution is Rs. 240/- a year and that for a mains set is Rs. 230/- a year. In the Bekal High School the set is of battery type as there is no electricity at Bekal. Hence a sum of Rs. 240/- is payable every year towards maintenance charges of the set.

4 In the circumstances I request that Government may be pleased to sanction a sum of Rs. 245/- (Rupees 240/- ~~to~~ maintenance charges plus Rs. 5/- Licence fees) for this year and to incur Rs. 240/- every year towards the maintenance of the set.

Encls: One

Copy of letter No.5449-C1/55 dated 3-12-55 from the Radio Engineer, Madras 5 to the Director of Industries and Commerce, Madras 5.

Sub:- Education - Fisheries - Fisheries High School at Bekal in South Kanara Radio Maintenance.

Ref:- Your letter No.20219-X3,55 dated 18-11-55.

The maintenance charges of Rs. 230/- per annum include repairs and servicing to the set required during the year and are hence payable irrespective of the fact whether any repairs are done or not to the set. The set will however be inspected periodicallly by this Departmental supervisor and necessary servicing done to see that the set works as far as possible continuously throughout the year without any major breakdown and if at all there is any major breakdown a standby set will be installed till such time the original set is restored to proper working order so that the students are not deprived of an essential amenity. All the charges on these accounts are included in the maintenance charges.
